SO YOU'VE DECIDED TO SIGN ON AS A TEE-BALL COACH...

CLUB SUPPORT FOR COACHES

The first step towards becoming a coach is to indicate this on your child's registration form, or speak with the committee on registration day. By volunteering as a coach, you are supporting your child and the club - Morley Eagles Teeball thanks you!

With a dedicated coaching coordinator, METC can provide you with the support and skills you need before the season begins, and throughout the season as you adjust to your new role. The club will run a coaching clinic at the clubrooms to answer any questions you have, and to introduce you to drills and training routines, allowing you to hit the ground running once training commences.

TBAWA CLINICS

In addition, TBAWA run regular "A Level" coaching clinics and METC will cover the cost for you to attend this course.

The clinics will teach you:

- An overview of the role and responsibilities of a coach.
- The correct way to teach required skills and techniques necessary for the game of tee-ball.
- The basics of tee-ball which will assist in the continuity of teaching methods between clubs.
- Correct throwing techniques to avoid injury to the player's arm.
- Catching skills and all aspects of fielding.
- Correct batting techniques.
- Sliding and base running.
- Diamond drills (8 basic drills for training sessions).
- Rotation of teams on the field and in the batting line up.
- Teaching players to play as a team rather than as an individual.
- How to approach an umpire u a game situation.

The TBAWA clinics run for approximately 6 hours (4 hours hands on, 2 hours lecture/question time). If you are interested in becoming a Morley Eagles Teeball coach, need help or would like to attend a coaching clinic, please contact the coaching coordinator at coaching@morleyeaglesteeball.org
