MORLEY EAGLES BASEBALL CLUB TEE BALL

PARENT INVOLVEMENT:

TEAM SPONSORSHIP:

- Please contact the club at info@morleyeaglesteeball.org if you would like more info.

ROLE OF COACH:

- Every team needs a coach.
- Any parent with a love for sport and teaching young children to improve their skills will thrive as a coach.
- The technical essentials of the game is to hit (from a tee), run to a base, field a ball, catch a ball and throw a ball.
- The coach directs traffic whether in the field or batting, assisting the team with field positioning, where to throw the ball and when batting, where to hit the ball.
- Training should be focused on improving the skills required to play a game. This will include both batting and fielding practice. Manuals are available to assist with fielding drills.
- The main ingredient is that both training and the game is fun with all team members having equal participation and enjoying playing in the team environment.
